Housing Developments

No update

Neighbourhood Plan

Completing the Neighbourhood Plan will be costly, but it is deemed necessary to defend to parish against future developments and there is potentially work that the PC can do to assist with surveying and so decrease the overall cost, which at most could be just under £10,000 over 18 months. In the period until April 2026 it would cost the PC £1,800, which would need to come from general reserves as it hasn't been budgeted. Future costs would then be considered with the budget setting for 2026-27. The PC agreed to move forward on this basis with Cllr Sturgis liaising with Master Land and Planning Ltd.

4. CIL The concrete base at the Startley bus shelter had been deemed not strong enough for the structure. Cllr Gravell approached six companies to quote to prepare a stronger base. Two companies didn't reply, two were too busy to complete the work and the PC chose the lower of the two quotes that had been received at £994+VAT to DP Smith. **Proposed:** Cllr Gravell, **Seconded:** Cllr Todd. The noticeboard was discussed and the PC agreed to buy a new one at £651 + VAT **Proposed** Cllr Griffiths, **Seconded** Cllr Harper.

The update on the recreation feasibility study was moved to November in Cllr Phillips absence. Cllr Harrison reported that as part of the approved Startley Cemetery project, cherry trees have now been purchased at £455, and will be planted in November. Research has recently been undertaken on pricing and Cllr Harrison will bring a proposal and the cost of plots to the November meeting.

Action: Cllr Gravell to send details of benches that may be used at Startley Cemetery or for replacing the bench outside the Church gate by the newly planted daffodils. Cllr Sturgis to send details of benches he may be able to donate, for consideration in these areas.

Action: Cllr Sturgis to bring quotes for the Great Somerford Church wall to the November meeting.

Action: Cllr Griffiths to ask for the bollard and chain to be fixed at the wedding posts.

5. Finance

a) Monthly Finance Report

The finance report was agreed and signed **Proposed:** CllrHarper, **Seconded:** Cllr Griffiths. As a non-signatory, Cllr Harrison was asked to check the bank reconciliation in Cllr Barker's absence.

The PC agreed to pay the budgeted donation to the parish church of £850. Further, Cllrs agreed to add £150 from the general donations pot to this donation.

The bank balances on 29 September were:

Current Account	36,656.62
Deposit Account	10,705.48
Fixed Term Savings	76,088.26
Combined total	123,450.36

6. Policies The Risk Register and Emergency Plan were signed (as above in Item 2b) and the Finance Regs moved to November.

The PC made a formal resolution of the Staffing Committee, this has unofficially been made up of Cllr Griffiths, Cllr Harper and Cllr Harrison which would continue and now has been formally recognised. This is to meet guidance that more than one person must be responsible for any staffing decisions. Terms of reference will be shared.

7. Managed Facilities Winkins Lane Playground

The ROSPA report has recently been completed on Winkins Lane Playground and recommended actions are in progress with Cllrs Phillips and Todd.

The metro count on Winkins Lane was discussed at this point. The traffic survey had been reassuring. During the ten days of surveying, no car had been driven at over 30mph. The PC agreed to share the results on the website and in a Parish Information Email. **Action:** Cllr Threlfall, Cllr Harrison, Cllr Griffiths to publicise the results of the metro count and to consider what traffic calming measures are possible to satisfy concerns of the residents.
